Volunteer Graphic Designer

Job Overview

We are seeking a talented **Graphic Designer** with photography skills to join our dynamic team. In this role, you will be responsible for creating visually stunning graphics and capturing the essence of our mission, products, and the people behind them. The images you create will be used across various platforms, including our website, social media, and marketing materials, to convey the impactful stories of transformation and hope.

Responsibilities:

- Capture high-quality images of our products, workshops, events, and the people involved in the creation process, including refugees and volunteers.
- Create visual narratives that effectively communicate the journey of our products from discarded materials to finished products.
- Edit and retouch photos to ensure they meet the highest standards of quality and consistency with our project's aspect.
- Organize and maintain a digital archive of photographs for easy access and use by the team.

Skills(preferred):

- Experience in photography and in photo editing software (e.g., Adobe Photoshop, Illustrator, InDesign, Scetch, Lightroom, Canva).
- Strong understanding of visual storytelling and ability to capture compelling images.
- Passion for humanitarian causes, sustainability, and storytelling.
- Ability to work in diverse, intercultural environments and interact with people from different backgrounds with sensitivity and respect.
