21 MARCH #WAD2025

**INVITATION TO THE WALK AGAINST DISCRIMINATION IN LESVOS: WALKING
TOGETHER FOR A BETTER WORLD**

Dear friends,

On March 21st, the International Day for the Elimination of Racial Discrimination (World Day Against Racism), we unite our voices with all the groups that are affected, **including people with disabilities, LGBTQ+ individuals, Roma, migrants, refugees, people living with HIV, the elderly, substance users, people with mental health issues, religious groups, and others**, to send a powerful message of unity against racism and intolerance.

This year, on Friday, March 21st, we invite you to join the **Walk Against Discrimination**, an initiative that has been organized for the past decade by the Greek Forum of Migrants. The walk will conclude with an open discussion at the **NaN Social Kitchen**, located at Komninaki 30, Mytilene.

Date: March 21

Meeting time: 5:30 PM

Meeting point: Statue of the Mother from Asia Minor, Epano Skala, Mytilene

Come and walk with us for a world without discrimination, for a future that is fairer for all. For a society of inclusion that will serve as a beacon of solidarity and respect, free from prejudices.

Sincerely,
